Requested Installation Date: _____
(SCHEDULE DATE WILL BE CONFIRMED BASED ON AVAILABILITY)

Options

What options have been ordered for the platesetter?   None _____

Trapping_____   Proofing Plug-In_____   Punch_____

List any other options:

_____

_____

Prepress

PREPRESS FRONTEND WORKSTATIONS

1. How many of each?   MAC _____   PC _____   Other _____
   If other is selected, please list type, and programs used.

   _____

   _____

2. Is there a file, network or domain server?   YES _____   NO _____
   If yes, please list type.

   WINDOWS _____   MAC _____ UNIX _____ DOMAIN _____

3. Network Protocol   TCP/IP _____   Novell IPX _____

The RIP computer must have a static IP address. Please supply IP information for RIP computer.

IP Address   _____._____._____._____

Subnet mask   _____._____._____._____

Default Gateway   _____._____._____._____

DNS Server   _____._____._____._____

4. Network Cable: The RIP comes with an RJ 45 connector only. If any other connector is needed, contact Margaret at (914) 925-3246.

5. There must be a network data connection within 10 feet of the RIP computer.
   Note: The network cable is not provided. Cat 5E recommended

6. There must be a Network Administrator available for networking assistance during installation.

Applications

7. What are your primary applications used for output (InDesign, Quark, PageMaker, etc.)

      1. _____

      2. _____

      3. _____

8. Does customer have imposition software, if so, please list name of imposition software.

      _____

9. Does customer have trapping software, if so, please list name of trapping software.

      _____

10. Does the customer have any CTP experience?   YES _____ NO _____

11. Will press assistance be necessary?   YES _____ NO _____

12. Type of press using plates from the SDP-Eco1630IIIR.

    WEB _____   Sheet fed _____   Other _____

Please list presses on site and dampener type

      _____

      _____

      _____

Please list type of fountain solution currently used.

_____

SDP-Eco1630IIIR Electrical Requirements
